1. About Us

Mpumalanga International FoodMarket (MIF), is a new platform for connecting production, opportunity, and demand - creating a fresh start for farmers, traders, buyers, job seekers and the national food economy. It is not simply another place for work, but a modern workplace and hub for human connection.

2. Job Specification

Personnel to serve as Cleaning Supervisor for the effective supervision and coordination of cleaning and sanitation services across MIF facilities, ensuring offices, public areas, ablution facilities, walkways, operational areas, loading/service areas and other designated facilities are maintained in a clean, hygienic, safe and professional condition.

3. Core Responsibilities

- Supervise cleaning personnel and allocate daily duties, work areas and shifts.
- Develop and maintain cleaning schedules and ensure prescribed standards are consistently achieved.
- Conduct inspections and implement corrective action where hygiene or cleaning standards are not met.
- Manage cleaning chemicals, consumables, PPE and equipment, including safe storage, handling and stock control.
- Ensure compliance with hygiene, sanitation, waste-management and occupational health and safety requirements.
- Monitor staff attendance, productivity, performance, training and adherence to cleaning procedures.
- Maintain inspection checklists, cleaning records, reports and corrective-action documentation.
- Respond to cleaning-related complaints and coordinate with Operations, Security, Facilities/Maintenance and other MIF departments.

4. Required Qualifications & Skills

- Grade 12 / National Senior Certificate or equivalent.
- Minimum 3 years' relevant experience in commercial, industrial, hospitality, food-processing, food-market, healthcare, institutional or facilities cleaning.
- At least 1–2 years' experience in a supervisory, team-leader or senior cleaning role.
- Experience supervising cleaning personnel, allocating duties and monitoring cleaning standards.
- Experience managing cleaning materials, chemicals, consumables and equipment.
- Knowledge of cleaning methods, hygiene and sanitation, waste handling, PPE and OHS requirements.
- Basic computer literacy and ability to maintain records and reports.
